jeffrey

i have a tight schedule but here are the facts:

entshallah, i will reach Ft Lauderdale Airport at 2:25 pm on thursday the 18th of this month; i will only have carry-on luggage

if your driver were able to meet me that would be fine

i would stay with you through your bedtime, which i remember to be circa 9 pm and then if your driver could drop me in lauderdale lakes, again that would be fine

but my wife has offered to pick me up at the airport and drop me to your place, in which case she would remain with family at west palm beach and then pick me up around 9 pm

i will not have anything with me to smoke, nor need any alcohol so we could spend about 5 or 6 quality hours together

please confirm whether this will work out for you

robert
