Dear Jeffery

Wanted to send you a brief update

It looks like we are one of 6 bidders for the Carlton.

It also looks like the price is headed in the high 140s.

A number of Lenders and Equity participants are committed to us but the most likely one is Baupost who claims they will write the check

for everything debt and equity (all but the sponsor equity)and then look to  
syndicate out the debt on best terms.

Hope all is good,

I am doing Passover in Miami would you like to come to my Seder

David
