Jeffrey,

As you can see per below Danny decided to request 4 months security deposit instead of three, which brings our total to \$12,300 instead of \$9,900. Would it be possible for you to lend us \$7,000 instead of \$5,000?

Again, I am so sorry for pulling you into this.

Based on the information and lack of credit history here I will have to ask you to provide the following

4 Months Security Deposit	\$9,600
1 <sup>st</sup> Months Rent	\$2,400
Processing Fee	\$ 300
<b>TOTAL DUE</b>	<b>\$12,300</b>

Please let me know by tonight or latest tomorrow morning if we are proceeding and I will tell you who the Bank Checks are payable to

Regards  
Danny

Hi Danny,

we would like to proceed with option nr.2 without a guarantor. So please let me know how we move on from here. I will fax you all our papers from work today and I hope we can agree on the amount below and meet to sign a one year contract as soon as possible.

3 months security deposit = 7200 dollar

1st months rent = 2400 dollar

Processing fee = 300 dollar

Total amount that you want up front = 9900 dollar

Best regards,

Sara Bourke

We will need to wrap this up tomorrow. Like I said before it MUST either be a Qualified Guarantor or 3 or 4 Months Security Deposit/1<sup>st</sup> Months Rent & \$300 Processing Fee. Need to know in the morning

Danny
