**Subject:** It's meee!

Dear one,

It is now 8:20PM and I can call but think it is too late where you are. I am sorry to have missed you again today. I am happy to report that I just took on a new client today. I have had a long stretch without one so it feels so good. That is the latest. You? Anything to report? Call me tomorrow or I will try you.

Huge hug, [REDACTED]
