Jeffrey,

[REDACTED] was magnificent! She is that rare combination of elegance, charm and natural beauty and what is more, she is smart with it! She made a very positive impression on all those who met her, so thank you very much indeed for this introduction.

George Meurisse was contacted by Hyatt and as I recall was most recently contacted by a Mr Wales from the Asian HR Department who told him that they would be in touch as soon as an appropriate position became available, so another huge thank you for that too.

That aside, we all found Jacob Zuma a much more impressive character than we had expected, he displayed more gravitas and none of the macho bluster he is generally portrayed as having by the tabloid press.

When are you coming to London? Can you travel yet or are restrictions for that still in place?

Is the island back in operation or closed down until your 'Alhambra' project is completed?

As ever,

Mark
