Hi Jeffrey,

Attached are some conceptual sketches based upon our conversation, and my discussions with Doug. Please let me know if this is the direction you would like us to explore. Note, this is not a set "design"; it is just intended to review building placement.

Sorry I missed Sarah's call yesterday. I will call her to set a time we can talk today.

Thanks,

Warwick

Doug,

Attached are progress drawings of the alternate layout for your review. Included in the attached is a schematic plan of the pool level and lower level as well as images of a massing model for your review. Let us know if this is the intent of the revised layout.

Thank you,

Bryan
