Dear Jeffrey,

As you know, I got your e-mail from Nicole Junkermann who is a friend of mine. I designed an apartment for Nicole in Paris a couple of years ago.

This is a small world... and I don't know if you remember but we have already met in New York.

This was about 10 years ago and [REDACTED] was there too.

Since then, I have been working as an interior designer and enjoying it. We are currently working on several very different and interesting projects. One of a last projects was an apartment for an American client in the building located at 22, avenue Foch in the 16th district (I think, you have an apartment there...!)

I would be glad to share more with you about our work and realizations.

In the meantime, and because Nicole was mentioning a portfolio, our website will help you discover what we do.

New photos are to come shortly.

Please let me know if I can help in any way.

Have a nice day.

Kind regards,
Pierre
