Landscape Architect in Puerto Rico is:

Gabriel Berriz  
Gabriel Berriz y Asociados  
[REDACTED]

Had emergency landing at O'Hare last night around midnight. Close to zero visibility, indication was that nose wheel would not deploy. 20 firetrucks, emergency vehicles, cleared runways the full monty. crash procedures in place as we circled at 4000 feet. Everyone lived happily ever after. Fortunately no one will ever know what I was thinking about those last 3 minutes before landing. Thank god for little things.

Good Night.
