Emad,

We are scheduled to go to Mr. Epsteins on Monday to do additional landscape installation. I have inquired numerous times about some outstanding invoices we have with no response as to why payment has not been received. Is there any reason as to why they have not been paid? The reason I ask is in the past invoices are paid promptly. As is proven over our history we do work for you in good faith as instructed. At this point with no answer I feel there is a problem. If I am wrong, my complete apologies to all. We have already ordered supplies to complete the new work in a timely manner for Mr. Epstein.

Please advise

Randy
