Good Morning Mr Epstein, I'm up early today I have therapy then school. I have a question and wanted your advice on this topic. My hair has been receiving in the front of my head, so I started researching company's that tell you they will give you guaranteed results of growing your hair naturally. Then I looked deeper and research some of the peoples testimonies on the bad results. I'm confused I received a postcard from BOSLEY and wanted to ask you if you think its all a gimmick or is it proven your advice much appreciated

Thank You Love Phillip
