sorry i was delayed getting it to you

i'm attending right now and hours kind of gross. did you know that kinkos is now called fedex office and that they are no longer open 24 hours? i guess i live under a rock.

i am sitting in the ER right now waiting for a head scan on a patient and there is a granny tripping out because she ate what she thought was her grandson's listerine breath strip (it was acid). the 17 year old grandson brought her in. he's in tro-ooooou-ble!
