..i can change the color at 27, i just wanted to be a strong contrast..somehow to be alive.. i thought it might look good in the hallway at 5th floor.

for 31 i used blue, i dont know why looks purple.

the sample in the picture no 40 i think it might be good for the cabanas at the island. of course i can use other colors too, but just use the idea of that pattern.. a little 3d. in the picture doesn't look that good..

..and i was thinking maybe we can start to do a room.. and in the meantime i can work at samples too..just a thought.
