I will look forward to your call on Saturday. Any time window likely?

Allbest, C

Ps. I do not know Ken Starr very well. We've met only once or twice. He will have to get used to a rather different than glorious Malibu! Baylor is an interesting institution and has a great tradition in nuclear engineering. (my wife has a nephew studying that subject there now.) I'd be delighted to get to know him better, and have some friends on the Baylor Faculty.

Allbest,

C

Hi Jeff,
Good to hear from you. I hope all is well with you.
Quick reply: I can be free this Saturday. Do you suggest we connect By phone?
Or would you like me to visit again? Either is AOK for my schedule. Let me know and I will make plans accordingly.

Allbest. (just about to taxi away from the gate on a flight from Philadelphia to Dallas.)
