We will pick this up and send you a revised plan. Please let me know if there is a preferred orientation for the screening room (one is north-south; the other is east-west).

the pool building has to have access to the bathroom from the library, and needs to contain a small office in the east /north corner. so that i can make phone calls.

Jeffrey,

Attached are the two revised options for the plan, as discussed with Doug. I understand he is going to stake these out for your review.

I did get Sarah's message regarding visiting the Island this week. Unfortunately, I am not available, and the team is tied up. When is the next time you are planning to be there?

Thanks Warwick,

Both plan layouts look good, the first seems to fit better with the screening room east/west. We will stake them out in the field. Please send to Jeffrey with any other images you have.
Regards, Doug
