Hi Jeffrey

So i just wanted to send you some links of some artists, so that when i give you a call tomorrow you can tell me i'm totally barking or not?! I know you'll know of these artist but they are also people that i think could and have done some of the things you explained to me that you were looking to do on your island.

I also wondered if you had seen any of the work by Paul Chan, if not his piece at the Venice Biennale 2009, i thought you should take a look at, as well as his work in general.

Also Jeppe Heim, he's a young German conceptualist, his works and sculptures, he has been written about as a young Olafur Eliasson.

Hope the pool is bobbing nicely and the sun is shining.

kiss Annabelle
