Just to remind. I met him couple of years ago on plane from Beijing. He comes from good family, v well educated. He is major developer eg Beijing airport. He has big investment fund. He is close to the Party machine but not part of it. He is married to successful (not very glamorous) lawyer. He is v proud of his new son (difficult in coming). Loves v good wine. Thinking of living partly in NY. Travels in Europe. Looking for new avenues, I think wealth management etc.

And is tall and good looking (and straight).
