Title: Re: Book Jeffrey,

We do not have a physicist in the Network, and we are not using force in the sense of mass \* acceleration, instead we are using force to mean the power to influence, affect, or control — the same sense in which the term is used in the notion of "market forces."

Jeffrey,

[REDACTED] suggested that you might wish to see a copy of our forthcoming book, so I have attached a copy. We look forward to seeing you in a couple weeks.

All the best,  
John
