yeah anyway, there are plenty of articles. There is also at the same time one on the NY Times saying how his market is up again to 2008 prices. His show is opening in NY Gagosian this week, so there will be tones of press in America.....hey they are are talking about him.

No more talk about Damien!!! (like I said, either you do or you don't). Some of his past work, a long time ago I did like but he's a bit of a factory, hence the Andy reference.

I will email on Friday and we'll see if I can do any better!!!!
