Hi Jeffrey. [REDACTED] just called to discuss the trip she would like to make to come visit you along with Barnaby and John on Feb. 21st. The 3 of them will be in San Juan, Puerto Rico. The earliest flight is 9:35am arrives Miami 11:20am, then a 90 min. drive to see you in PB. Basically they would not see you till close to 2:00 that day... and then Barnaby has an 8pm flight he must catch that night out of PB. ...plus, [REDACTED] and John would need to drive back to Miami the same night in order to catch their very early flight out the next morning.

[REDACTED] said you mentioned possibly sending a plane or helicopter to Puerto Rico for them and is wondering if you might truly consider this. She said she would way rather spend as much time as possible with you than lots of time traveling.

Let me know what you would like me to relay!
