**Subject:** Sponsorship for AGI-10?

Hi,

I'll have another email for you soon on my book and related issues, but this one is about the AGI-10 conference

<http://agi-conf.org/2010/>

which is in Lugano Switzerland in early March. You sponsored AGI-09 for \$10K which was quite generous... this time around the budget is not so tight [because the venue is donated by the university there], but still a \$3K-\$5K sponsorship would be very much valued...

I have not had much to do with organizing the conference this year, the Europeans took it over. It's good to see the AGI meme spreading like that. Next year's AGI-11 will be in Silicon Valley and should draw a larger crowd; then AGI-12 will be in Beijing...

thx  
ben
