Hi... Meeting customers, doing business in Davos... We're getting a lot of attention for the new technology platform I showed you. Do you have any ideas for how I can raise a \$0.5-1.0 million short-term (90-day) loan? I've reached the end of the line with walnut and dennis and need to start architecting their exit (I've got my Canadians on board). Looking for a loan to buy some time to do the things needed to get there. Any thoughts? Adam
