FYI

JP Molyneux's is arriving STT Tuesday Morning, departing Wednesday Morning

At this time the Finish Carpentry and staining of millwork is still in progress and will probably be finished towards the end of the week.

Therefore the room is not ready to accept new furniture as anticipated by JP.

Please note furniture is on LSJ, still in crates in Air Conditioned containers. To cut down double handling and increasing chances of damaging furniture, we would recommend leaving furniture in crates until room is completely ready.

Please advise if we should follow this course of action
