Hi Adam, I spoke with Neil Raymond and David Peterson and based on my conversation with them, these are the terms under which we believe the Note could be structured between yourself and Seed Media Group LLC:

- Amount: \$500,000
- Term: 120 days, with a 30-day grace period for repayment
- Interest Rate: 12% per annum simple interest payable monthly
- The note is convertible at any time during the life of the loan at the lender's option into Series C preferred shares
- Priority of repayment - First preferred position during the life of the loan
- No pre-payment penalty

The Company reserves the right to make this same offer to other interested parties so long as the total loan amount is not greater than \$1mm.
