Leaving for NYC after being in Florida for 2 weeks. Thought I might bump into you somehow, it didn't happen. It appears that you and the press are still joined at the hip for the moment, too bad for you, the plebeians stay entertained. I will tell you this, it is a interesting scene at the Colony on friday night at Club10 and the goyim in general know how to have a good time. I like to watch, so Palm Beach is fun, but give me the Keys any day of the week. The crowd at the Ferrari show at the Breakers was remarkable for its international participants. The women and men were spectacular. So were the cars That's my report. Work awaits me. Stay sane.
