Subject: LSJ Landscapers concerns

The area by the beach cottage is where the landscapers have lunch; it was lunch time when you spoke to Peter St Omar. In regard to the crew at the Kite house they had just finished cutting the grass, using weed whackers; the terrain is too rocky and steep for a mower.

Lastly Gary mentioned that you did not want the grass cut on top of the hill. Can you please clarify direction you wish to take, so I can pass onto Igala Joseph when he starts in two weeks time. Lastly I would like to recommend that in future I am part of your meetings with Gary and new landscape designer, this so I get clear direction from you, not everyone else interpretation

Brice
