Sure. I was on the island this week to drop my watch off at Hamilton's. Sent the damn thing to Rolex in New York and it quit working again, but was under warrenty, so I took it to Hamilton's. You were in New York that day. I'll come see you whenever. I have Monday off for MLK Day (I take off whatever days Karen has off). Karen & I had dinner with Mike Gauger and his wife last night. Since the girls were there Mike & I talked about everybody but you. I'll call him and see if he can come too. That way we can talk about you to your face.

Steve
