Gloria Rudish called again with the following message:

Just thinking about you. Hoping things are better...are you able to travel now? I'm not sure if you knew, but Marvin was in the hospital for a very long time in Oct with an extremely high fever. He was on antibiotics and he just got better. They never did really figure out what was wrong with him!

We Would love to come down and see you again... maybe in March. We should try to see if our schedules would jive.

Take care.
