Subject: [REDACTED] teaching chip guys lessons

i think [REDACTED] will either learn her lesson today or we will know that she is hopeless... i put 50%-50%...

i had to teach the guy "no pick up" a lesson tonight (i didnt reply to his stupid email, he called me and insisted on picking me up))):

1. So he picked me up with a driver
2. I ordered the most expensive first course which i barely touched
- 3.the most expensive second which -the same
4. one of the most expensive bottles of wine - the same
5. he walked me home (he was so chip - didnt want to pick me up and go downtown... preferred staying uptown)
6. refused to kiss him))))

So it was fun))))

have a safe flight my dear Gepetto)
