i'm sorry i'm not there to say it in person!  
i hope you have a great day, doing something that you enjoy

i had a head massage (with coconut oil!) today for 45 minutes  
that was pretty much heaven  
coconut for my big coconut!  
i smelled like a tropical drink but it sure felt good and i think i am a little bit smarter

last night i went to see hand printing (onto fabric) which is a dying art plus some little slumdweller ladies and girls that do embroidery. really beautiful on the front when they are done but the back looks so messy (threads everywhere).

i'm staying at the taj hotel. last time i was here in [REDACTED], i checked out the day before it got bombed. it's weird to be here. i don't know if you've ever seen this hotel but it sits right on the sea and the big arch thing (their version of the statue of liberty) is right by my window. it's kind of like the plaza - all of the staff have worked here for their whole lives.

i'm here to negotiate [REDACTED]  
[REDACTED]

[REDACTED] not  
sure about that one!
