careful. peter will be watchng closely. you don't want to end up as mj's ex gilrfriend. /
then nobody will touch you. tell m.j, that the public perception has to be clean, tell them
together, that you want to leave the men , so that they can have boys talk,, go in the
other part of the plane and read. or tell m.j. that you are having a difficult period. tampax
and need to rest. "I was brought up to not intrude on male conversation. I appreciate the
american tradition , but....." careful///

apt... thinking of carlyle))) the best!!! but for rent evr unfurnished now...will take a bit
time
had late dinner at Q...
tmw flying to vegas with Peter....

he asked - let me fall in love with you and then i will go to moscow to ask your hand...
i said - i hope by fall in love you dont mean make love... he said no, we are not ready
i "made love" (hate this expression, prefer f..k) to even uglier guys, but i just hate him
so much! thats funny, hope i not gonna kill him...but its just work, i cant kill my
boss...at least until i get my salary)
