Good morning Mr Epstein, I just ate breakfast these last few days have been busy I tried to email you through my phone but it erased after I wrote soo much I got mad and said forget it loll. I had my test on Tuesday and I have to say the instructor really mislead us I researched and read whole book and I passed I know because I calculated all of the answers that I know from studying and the rest i used logic process of elimination but I felt bad for the rest of the guys they were all puzzled I was the last guy to finish the test not because I didn't have no clue but I'm a person who likes to get a hundred and I challenge myself so I stood there and the instructor was waiting and giving me body language like he wanted me to hurry up at the end of test I had two questions and they were "doesn't these two answers mean the something" and he was stuck uh uh and he just gave me the answer but hey im not going to bad mouth or knock the guy anymore it just teaches me that I have to prepare my self in certain instances the most I could I have one more test this Tuesday for the same class then im done I joined a chess site yesterday its chess.com its a hundred dollars for whole year and I have a chess mentor and I get to play with people around the world and i get to watch video lessons and get to play tactic trainer so im pretty happy yesterday I went to therapy for my shoulder im improving my strength im soo happy cant wait to get stronger time is really flying its about to be February wow we are getting older fast lol I hope you enjoy your day I will talk to you soon

love Phillip
