Larry,

Yes, this is a legitimate group of people. I know Carmen personally and she has been doing a great job of organizing medical trips to Haiti. The Office of the Governor has been working in a minor capacity with Carmen and the medical team. I think that JE should agree to help them with the next trip.

Hi Cecil,
I was approached by Roy at St. Thomas Jet center to ask JE for use of his Gulfstream to do a Haiti Humanitarian flight, they have said the Governor was involved with this, Jeffrey gave me approval for me to fly this flight, but asked me to check with you and see if the Governor knows of this organization or the people involved?

Can you get back to me as soon as possible, this flight is going to happen Wed afternoon.
I have included the email traffic below..feel free to call me if you have any questions, [REDACTED] cell.

thank you,
Larry Visoski
Chief Pilot

Hi Larry,

Just a short note RE: Earth Quake Ravage Nation of Haiti, I was wondering if you can talk the Mr. Esptien about make a humanitarian flight to Haiti in the Gulf-stream.

The name of the lady who has organized this effort is Ms. Carmen Partoridge and Cell number is 1-[REDACTED] 4796 she is working in-conjunction with The Schneider Regional Hospital and the Office of the Governor

Mr. Susman has already donate his aircraft on Monday and is schedule to do two more Humanitarian flights this weekend.

These humanitarian flights consist of taking food, Medical Supplies, Doctors and Nurses to Haiti

Inform Mr. Epstein that he will be getting some Media Coverage and publicity and that will definitely be very good for him.

I also learn that the FAA and the Military is controlling the airspace in Haiti, if you need any more information please contact Ms. Partordge at 1-3-[REDACTED]

Mr. Hancock will also make a contribution toward fuel

Best regards
Roy Romney
