Hi Jeffrey, so you've met or at least my partner Francesca has introduced herself to you. I hope you like some, if not all of the image's we sent? I would really like to know what your thoughts were!

My personal favourites are the Kiefer, he is quite an interesting character to, he once asked me to have a personal piercing and then to e-xra myself so he could make a painting from it.....

The Chapman brother's for me really are the best of British art.

The Tracey Emin i love for it's subtle- lake of sutalty (she also hardly paints, so they are rare).

The Gold Kate when you see it, all though i'm not usually a fan of being a fan is stunning.

I know you know Damians work and i think you either love or you don't but this is a significant work.

Anyway sweetie hope your well, this is my number + [REDACTED]  
hope to here from you soon.

Lot's of love  
Annabelle x
