[REDACTED]--Much apologies for not getting back to you on dates--holidays have been brutal.  
I'm in London next week so won't be here to see Jeffrey. But looking for some  
dates to come to Palm Beach. Anytime the first week of February looks free.

Hi Michael,  
Hope you had a great holiday,  
Jeffrey is going to be in New York Jan. 13-14 and wondering if you might have any time  
to see him.  
Best, [REDACTED]
