super playful guy, very interdisciplinary (neuroscience, psych, a little endocrinology, physiology) and an out of the box way of considering possibilities re: our species as a social species and human behavior.

great that you guys connected. did you talk about him coming to see you?

Cambodians were very nice yesterday -- we made a meal together (in banana leaves and with things I don't usually cook with). My father is -- G-d knows where -- I can't figure out if he recognizes us, knows what we're saying..... it's an odd scene...

Today, i'm around after 1 pm CDT....

happy holidays.
