**Subject:** Palm Beach Post

While in a rush this morning I saw the Post had put online a story that Epstein settes two cases with Josephberg. Did not have time to read the atricle and this afternoon when I got back in the office the article was gone. No trace. Can't pull it up anywhere on teh Post website. I guess someone gave them an inside scoop and then complained the settlements are supposed to be secret, so The Post yanked their story. Never ends, eh?

Steve
