as i said , i see little difference, it is easy to ask to stop the massage that you have taken little time to learn after you say I don't remember, what i saw yesterday. - not- wait i'll get the dvd, , wait i'll look in the book, . why continue, i said stop, it was a waste of time though you saw the eggs did not come out right, did you say ok i'll go back and get it right, no. nothing, the deal was to try to get it right and do it over and over until you did, nothing has changed, re girl complaints. read you description of the time i spent with [REDACTED] . let [REDACTED] read it, see if she agrees with your description.

I have listened carefully to what you ask, did it without arguing and in a timely manner, I made a point not to stop doing anything until you told me to (massage), I ask what you need and offer help 10x more than I find tasteful (not annoying), I worked on things in the deal- eggs, dvd, no girl complaints even thought it would have been easy, [REDACTED].

Sorry, I've actually tried my best. There is no laziness and there is no game. This is it.

I did what you asked is the type of answer that you need to see [REDACTED] about,, the goal was to

learn the new type of massage. saying i did as you asked is not helpful, makes you look even sillier , , and is emblematic of your saying i didn;t say tarot card reader i said fortune teller .. did you ask igor, ? this is not going anywhere, I THink you need to review this issue with [REDACTED], she will explain that you are relying on the literal words , and hiding your laziness behind a semantic losing game

I did what you asked. That's not how I learn but I made a point not to argue. **I did what you asked.** After I did it I asked you if igor or someone knows how to do it so he can show me . You said no. Today you suggested I can look for a class.

ruined my day off.... now it is stressful to have to ask what you could do.. i ask you to learn massage,, you make the most minimal of effort what has changed.

A part of this agreement was that you and I also spend quality time and I get 2 days off. I have been trying. I make an effort to pay attention to what you ask for and do it. Every time I see you instead of being excited and relaxed I am stressed and anxious about what I should offer you and do so you are not upset. You have simply focused on what you get, cancelled our movie and ruined my day off by starting a fight.
