Hi jeffery, happy 2010. You look great. I told you when this is over you are still Jeffrey Epstein. No one I know has a bad thing to say about you, except every woman who you won't date over 30.... Jeffrey I really need your help I might be left with very little and I am very nervous about my old age and my daughters will always need something, I will be down weekend of the 16th of September . your friend Jonathan
