jeffrey

once again, something has intervened

the woman i was going to visit in ft lauderdale is quite ill in orlando and
begging me a raincheck

since i am flying american, which only flies through miami, i thought to take her
up on her raincheck and at the same time visit you, assuming you are still in
florida

i would then fly straight into palm beech and out via ft lauderdale or the other
way around

hope all is well with you

happy new year--2010 has got to be better than 2009!

all best

robert
