Dear Jeffery,

I just got back from California and I wanted to let you know that I had a fantastic time. It was a great experience and it was amazing to meet such smart people. Lisa Randall is simply brilliant and truly a role model for women in physics. I am very excited to do research and hope to go to more conferences in the future. Thank you so much for inviting me to the conference - I can't even begin to state how much I appreciate it.

Best,
Alexa
