a typical female comparison.. the question in male form would have been where were you when you were my age.. i also think you are doing well but its time for a change

i realize i'm on my personal journey and am doing pretty well for my years. things could be a lot worse. what are you 22 years ahead of me?

well i did get good news today. we heard from the FDA that they are working through the holidays to approve our test in a hurry. in record time for a record test and they want a conference call on tuesday. pretty nerdy i know but it's was mildly entertaining getting a federal regulatory agency to fall in love with us.

happy new year.
