Funny quotes from b

1. I know much more about the woman we had dinner for two hours than I know about you for one year

2. I know about 10% of your life. That you have a brother, had a trouble bf and you lived in milan.
That's it...

3. You are like a small cat always going somewhere and hiding with big innocent eyes and smile. And never telling where you going and with whom. But I m not perfect as well so its ok...
