Hello,

First of all I want to thank you for the flight ticket! It means a lot to me.

I wrote to Ron to tell him that, and he told me that the models apartment is already full and he will think of a solution, share the room with more people(girls and boys).

Do you know something else that I could rent from a room?

I have some friends there, I'll ask them also, but I'm not sure that they can help. :(

I can solve the problem maybe when I'll be there, I don't know...

kisses
