Mr. Epstein,
I was on F-1 Student Visas for 6 yrs and then following with 1 year OPT work permit.
However, I didn't get hired in the field I studied. Therefore continued p/t modeling. Then
in Aug 2008 I signed 1-yr contract to play pro-basketball in Spain. After season I
traveled to USA to continue to look for job opportunities on ESTA travel authorization
since Latvia nationals do not need visa to enter the US not exceeding 90 days per visit.
Because of it I have to travel in and out until I get a visa sponsorship (H-1) from the
employer. Please let me know if u have further questions.
Thank you.
Regards,
