Title: The Duchess

Ghislaine- we all are too stressed to deal with a lunch on Friday. We love you for offering and we will do in the future...  
Safe travels to all. Happy Holidays. xoxo Peggy

From Martin:

The Duchess is not going to be able to stay for lunch this Friday.  
As Peggy has to go to Kenya etc... The Duchess would like to take  
a rain check for another day.

Thank you so very much.

I will call you later today to confirm that you and Peggy have received this  
message.

Thanks so much.

Best,

Martin
