That's true.
How else can I communicate to you what is happening when I haven't found the right answers to the questions but I know when an answer is wrong ?

You are successfully pushing me away.
I feel more distant with every day of this break and every one of these phone calls and comments about how much you enjoy time without me and no positive interaction. Enjoy it. But to quote you- there are consequences. Only you know whether they are intended or not but you should be aware of what is happening

I love you
