**Subject:** S76 seat back

Jeffrey,  
Eric Roth is going to be carving the seat back and wrap around cushion on Tuesday morning, I would like to skype this process for your input.  
What time Tuesday is convenient for you?  
Do you think we may fly that week?,,, I think it is best for me to be at Eric's shop for this cut and fitting.  
Thank you,  
Larry
