- 1) Penthouse: Was just looking into renting some place for Miami and bumped into that penthouse that we looked. This web site is much better.

Click on the first property (most expensive) for 18.5M

Click under property details

Go into virtual tour – chose 3D tour.

If you have money, you should consider it. You can knock down the price a lot.

- 2) Dates: Just FYI – I will be in Miami 12/29-1/5<sup>th</sup>

Can't wait to again catch up face to face
