hi [REDACTED],

i talked to jeffrey last wednesday, and i told him that i'll do some samples and i will think about the way i wanna get paid: by project or being hired for one year and work to other of his projects besides this house in the island. so you can tell jeffrey that i could work for him for a longer period of time insted of being paid by project, but this depends by the salary he would pay me. i have scheduled a job in new york starting wednesday for one week, and after that i'll be free.

.....
when i talked to jeffrey wednesday, we forgot to talk about that project using mother of pearl. he said something about the gymnastic building, the ballet room.. but i'm not sure if he was reffering to the pink room in the gim building. is the room you can see in the pictures in attachments?

.....
i'm doing samples for the office ceiling. i'll send them to jeffrey when they'll be done.

thank you ,
nicola
