Hey,

I hope everything is great with you.

I'm writing to tell you that I talked today with Ron and he replied that he won't be able to advance my flight ticket, just accommodation in the models apartment which is coed guys and girls.

He also sent an option for the 19th of January and asking me if I'll be there.

I want to come, would you help me with the flight ticket?

so I can give him an answer.

Thank you,

kiss
